

EQUINE FEED **SUPER 14**

PRODUCT PURPOSE

Textured grain based ration for breeding stallions, gestation mares, medium and heavy duty work performance horses and growing yearling horses.

FEEDING DIRECTIONS

Offer 1/2 to 1 1/2 pounds of grain mix per 100 pounds of body weight daily, depending on body condition and type of activity. Divide daily ration into two feedings. Feed with good quality grass and/or legume hay (free choice), and plenty of fresh water. Consult your supplier for further feeding directions.

FEATURES

- Processed grain for higher digestibility
- High energy with no fillers
- COMax® the microbial catalyst enhances fiber digestibility and promoted utilization of vitamin B12
- Actifiber® prebiotic fiber food source for beneficial bacteria — promotes a balanced gut micro flora
- Organic trace minerals to promote defenses and enhances reproductive efficiency
- Organic selenium yeast
- Full component of B vitamins
- Increased fat and lower starch level for mature horses
